Celebrations!

What a wonderful time was had by all who attended the 20th anniversary event. The Chair Dennis Rogers and Guest of Honour Shirley Holloway opened the event with speeches about their time with the organisation over the years.

The event then continued with both Dennis and Shirley cutting a cake that had been specially made for the occasion. (Pictured below). We would just like to say a massive thank you to all who came to help celebrate on the day.

The bus named 'Roberta'

We sadly lost one of our long standing members, Roberta Watts. She kindly left us a very generous donation in her will. This enabled us to purchase a new mini-bus, which has helped Four Towns to continue providing our services within the local community. Four Towns felt it was only right to name this bus after Roberta. We know you all have enjoyed your journey's on the bus so far!

STOP PRESS NEWS!

We hope to have the use of 4 new minibuses via funding obtained by South Gloucestershire Council to assist with our work in the Community.

MIDAS TRAINING

Part of a local group or know someone who is? Interested in mini bus training? Please get in touch.

Social Events

Service users we would like to say a massive thank you to all for coming along to our social events and for all your continuous support. We really do enjoy putting on these events for you. Look out for our future events on our website/ events page www.4tvl.org.uk

We are holding another Macmillan coffee morning this year and hope to raise even more funds for such a good cause. We look forward seeing many of you there and we will keep you informed about how much we have raised.

We are in the planning stages of a Rural to City link. We will be running this service in the largely rural areas. This service will help transport people in the rural areas to places such as larger shopping centres, medical appointments and many other places further afield. This service will help in combating rural isolation. We will keep you informed with any further news on the R2C Link soon.

Have your say?

We love to have your feedback and hear what you have to say. Please send in your comments on anything regarding our services: trips and social events.

PART OF A GROUP?

Why not ask Four Towns to attend your group to talk about all the services we have to offer.

Our services help:

- Get people out shopping, to medical appointments and on social visits on our Ring-and-Ride services
- Trips out
- Social events
- Group outings for your group

Benefits of Four Towns attending your group:

- Make people aware of our services, which in turn Helps people get out and about, help to combat loneliness and isolation and allows people to make friends and maintain friendships.

Interested? Then please call on our number
